

DO YOU WANT TO WORK WITH US?

We are searching for people to join our team.

As a team we work behind the scenes to serve those who serve others, while also wanting to be the smiling faces to greet those coming to find community on base! We oversee all the meals and want to serve the best food to help students and staff sustain the energy they need for the learning and service they come here for! Join us to serve, learn how to cook for a lot of people and sing along with us as we prepare the meals!

If you are even slightly interested to join our team or you want to know more about who we are.
