

**DO YOU WANT TO WORK WITH US?**

***We are searching for people to join our team.***

As one of the official gate keepers of YWAM Muizenberg, the registrar ministry gives you the unique and exciting opportunity to communicate and encourage potential students from every corner of the earth, every day! If you love emails, are a great systems keeper and have good attention to detail as well as a desire to personally walk students through the first part of their life changing journey, then join us! It changes YOUR life as much as theirs!

If you are even slightly interested to join our team or you want to know more about who we are.
